Hello.

Little did we realize when we started our first dinner in 1992 that 25 years later we would still be going strong. Well, we are and stronger than ever.

In that time, the Nutmeg Committee has netted over \$831,762, with an attendance of over 17,847 supporters. The \$831,762 equates to over \$414,000 in grant money we've been able to return to our state for shooting sport programs through clubs, junior shooting teams, boy scouts, Women on Target and many more. The other half of the \$831,762 went to NRA National Programs such as hunter programs, Eddie Eagle, range development and others.

With our funds going to programs such as these, it's easy to see why committees stay dedicated, but the bottom line is that all this wouldn't be possible without the support and generosity of our attendees. For this, we are sincerely grateful.

We are endeavoring to make this, our silver anniversary, a special event. Some of the guns, such as the M1 Garand Tanker, Pre-Ban Colt, and Ruger Vaquero are some examples of what I mean.

I'd like to thank the grant committee I've been fortunate to work with to get us to where we are. To all our supporters, from the single ticket purchaser to underwriters, to club sponsors, table sponsors and all others who have helped over the years, thank you.

I'd also like to thank the AquaTurf for the tremendous job they have done over the years. The quality of the food, the service from their staff, and the great atmosphere of the AquaTurf itself cannot be equaled. Thank you.

Hope you all enjoy the evening and God bless America.

Ray Hanley
and the entire Nutmeg Committee
