## *VIP Reserved Table Item Descriptions*

- **Diamondback DB15E .300 Blackout AR Rifle** - The Diamondback Firearms DB15 Elite Black Semi-Automatic Rifle in the awesome .300 Blackout round is an excellent choice for defense, hunting, recreational, and competitive use. It's built right here in the USA and features a forged 7075-T6 aluminum receiver, a 16" 4140 Chrome Moly free float barrel, and a Magnetic Particle Inspected shot peened bolt carrier. The DB15E is built to last a lifetime with a 15" Diamondback Aluminum Key-Mod handguard and the Magpul collapsible stock on this rifle is modular and functional.
- **Stevens 555 Over/Under 20ga Shotgun** - Savage® has earned a reputation for producing economical, well-built arms, and that tradition continues with the Stevens Model 555 Over/Under Shotgun. It's made with a lightweight aluminum-alloy receiver and barrels made from carbon steel and chrome lined for enhanced pattern uniformity, topped with a ventilated rib with 1 brass bead front sight. It features a matte black finish on the alloy receiver that matches the matte blued barrels and the handsome, oil finished Turkish walnut stock is checkered at the forend and pistol grip. The 555 comes with 5 screw-in chokes that fit flush with the muzzle.
- **Kimber Pro Carry II 2-Tone .45 Auto Pistol** - The Kimber Pro Carry II Two-Tone has no-nonsense features that promote intuitive operation and absolute dependability, including lowered and flared ejection ports, machined dovetail mounted sights and edges that are rounded and blended for comfortable carry. The classic two-tone slide and frame finish is accented by Rosewood grips. This Kimber 1911 is a perfect choice for concealed carry or personal defense. The two-tone slide and frame, chamber and barrel are machined from solid stainless steel to critical match grade dimensions. Features brush-polished slide flats and Kimber's match grade, three hole trigger that breaks crisp and clean at 4-5 lbs. This is a nice handgun.
- **Marlin 336 30-30 Lever Action Rifle** - From deer to wild hogs to bears, the lever-action rifle has been the proven platform for success for generations. The Model 336 is loaded with performance and accuracy features to help you put meat in the freezer. Its American black walnut or laminate pistol-grip stock features fluted combs, cut checkering, a rubber butt pad and sling swivel studs. Features adjustable, semi-buckhorn, folding rear sights and ramp front sights with brass beads and Wide-Scan™ hoods. Also includes a solid-top receiver tapped for scope mounts a 20" barrel with 12-groove Micro-Groove® rifling and a six-shot tubular magazine.
- **Yeti 3 Cooler Package** - Roto-molded construction, t-rex lid latches, permafrost insulation, coldlock lid gaskets, Fatwall design, lip grip handles, anchor point tie down slots, and more...
