NRA LIMITED EDITION **KEL-TEC PMR-30 TAN**

A favorite amongst plinkers and outdoorsmen alike, the PMR-30 continues to be one of the most sought-after firearms in America. This lightweight, full-sized handgun is chambered for the flat-shooting .22 Magnum (.22WMR) cartridge and operates on a unique hybrid blowback/locked-breech system. This system allows for the use of a wide variety of ammunition as it seamlessly adjusts between locked breech and blowback operation, depending on the pressure of the cartridge. A newly designed double stack magazine holds 30 rounds and fits completely in the grip of the pistol, while a thumb activated

ambidextrous manual safety lever is always within reach. The light, crisp trigger pull and fiber optic sights make the PMR-30 ideal for target shooting and hunting small game. Customized with NRA serialization for Friends of NRA.
