Greetings,

The FNRA Charter Oak Committee would like to thank you for your support. As most of you know, the Friends of NRA Foundation is a wonderful aspect of the NRA and shooting sports. "Friends of NRA is a grassroots fund-raising program conceptualized by National Rifle Association of America's Wayne Sheets and MidwayUSA's Founder and CEO, Larry Potterfield.^[1] The program fosters community involvement, raises money, and gives 100 percent of the net proceeds to qualified local, state, and national programs. Working with the NRA's field staff, thousands of volunteers nationwide participate in the program by organizing committees and planning events in their communities. Monies raised at these events go to The NRA Foundation, a 501(c)(3) charitable organization.^[2]

Established in 1990, The NRA Foundation raises tax-deductible contributions in support of a wide range of firearm related public interest activities of the National Rifle Association of America and other organizations that defend and foster the Second Amendment rights of all law-abiding Americans. These activities are designed to promote firearms and hunting safety, to enhance marksmanship skills of those participating in the shooting sports, and to educate the general public about firearms in their historic, technological and artistic context. Funds granted by The NRA Foundation benefit a variety of constituencies throughout the United States including children, youth, women, individuals with physical disabilities, gun collectors, law enforcement, officers, hunters, and competitive shooters."

The money collected at dinners such as ours around the country go towards shooting education, training and programs such as the Eddie Eagle program, Women on Target, Boy Scouts, etc. This is a great cause and helps the future of shooting sports throughout the country.

As listed on the order form with the sponsorship options, there are also other ways to support this dinner like underwriting items and donations. Please keep these options in mind if you can support the Friends of NRA and education programs within in CT. There are 10s of thousands of dollars given out to CT ranges and programs in grant money due to the money raised throughout CT from FNRA dinners (half of the money raised at CT dinners stays in CT).

The newly formed Friends of NRA Charter Oak Committee looks forward to seeing you at the dinner this year on March 23, 2018. If you have any questions, please feel free to contact us at FNRAOAK18@gmail.com.

Sincerely,

The FNRA Charter Oak Committee
