ROCK ISLAND ARMORY GI 1911 45

This 1911 GI is a great representation of the original US GI combat issue 1911 and is chambered in 45 ACP. Built to exacting engineering standards. Fixed, low profile sights and traditional smooth slim design are perfect for quick pull holster use. A durable parkerized finish gives it a tough, smooth, non-reflective surface. Smooth wood grips offer comfort in both feel and design. True to all Rock Island 1911s, the GI Standard comes with a crisp factory 4- to 6-pound trigger for a great experience right out of the box.
