**Committee Sponsor: Kelley Hardesty Smith and Co**

July 16, 2018

Dear Supporter:

Do you know what next month is? It's banquet month!! We are just weeks away from another exciting night of helping Indiana youth sporting programs. FNRA is a grassroots fundraising program that gives 100% of the net proceeds to qualified local, state and national programs. In 2017, Indiana FNRA committees were FIRST in the country for funds raised and we want to retain that top spot.

This year's South Indy banquet will be held **Saturday, August 18<sup>th</sup>** at Primo Banquet Hall located at 2615 National Avenue, Indianapolis, IN 46227. Doors open at 5pm.

The time is now to lock in your seat for an evening of **food, games, raffles, auctions** and **fellowship**. If you want to participate in the **bucket drawings**, be sure to preorder your shooter pack. It's \$50 now but \$100 at the event. A shooter pack is a bundle of raffle tickets for the bucket drawings where you decide where you put your tickets so you can stack your odds for the prizes you really want.

There are several ways you can get more involved in our event from **vendor booth rental** and **donations to sponsorships** and **underwriting**. As a 501(c)3 organization, we will gladly accept new items for everything from door and raffle prizes to bucket drawings and auction items. We'll even take like-new guns. Along with a tax donation receipt, you'll receive recognition on signage, in our program and slideshow and possibly mentioned throughout the night by the MC. It takes as little as \$50 to secure some extra recognition which can be a great advertising vehicle for your small business.

If you're new to the event, don't let it be overwhelming. We'll gladly pair you with a guide to help make your night nothing but a good time.

You can only buy event/dinner tickets online at [www.friendsofnra.org](http://www.friendsofnra.org). For anything else, you'll need to fill out the order form on the back or call Adriane at 317-788-1571 Tuesdays-Thursdays between 9am-3pm.

**Remember prices go up the day of the event, so reserve your night of fun now!**

Friends of the NRA is a 501(c)3 non-profit, non-political organization that raises money to primarily benefit youth shooting sports, along with personal and school safety groups, to help ensure the future of the shooting sports. The FNRA gave \$642,047 to Indiana Junior Shooting and Education programs in January 2018 from funds raised from statewide events like this one last year.
