Dear Friend,

**Our shooting sports traditions are at risk**, and we need your help to secure their legacy for future generations. By attending a *Friends of NRA* event, you provide invaluable support to firearms education and training programs in your local community and across the country.

**Amongst the fun and fellowship**, *Friends of NRA* boils down to one goal— fundraising for the future of the shooting sports. Since its inception in 1992, *Friends of NRA* has held close to 23,000 events, reached over 4.3 million attendees and raised more than \$925 million for The NRA Foundation. Each year, The NRA Foundation allocates half of all net proceeds to fund local projects and uses the other half to fund similar projects with a national scope.

**Local grant funding** goes to areas such as hunter education, range development and improvement, women’s training seminars, and wildlife conservation efforts. And more than 50% of grant monies go to the important area of youth firearm safety and education programs.

**So whether you attend** a *Friends of NRA* banquet for the fun, fellowship or fund-raising, you can be confident that you are helping safeguard programs across the nation that prepare today’s generations to be tomorrow’s guardians of the Second Amendment.

**Sincerely,**
