

Dear Friend of the NRA,

February 12th, 2020

Thank you for your past and present support of the NRA Foundation through the Tuscarawas Valley Friends of NRA events. Over the past 25 years your support has allowed the Tuscarawas Valley Friends of NRA committee to raise nearly \$600,000! This is a remarkable accomplishment that could not have been done without your support.

Half of the nearly \$600,000 that has been raised through our committee has been distributed to local organizations. Our committees' recent contributions have been to the Boy Scouts of America/Great Trail Council, Akron University's Zips rifle club team, Great Trail Musketeers Junior Rifle Team, Leetonia Sportsman's Club Annual Kid's Day, Eye On Target Radio, Ohio Rifle and Pistol Association Junior Small-bore National Team, North Lawrence Fish and Game Club Youth Day, Akron Public Schools Air Force JROTC air rifle program, as well as other organizations that are dedicated to the advancement of the shooting sports through our youth. While supporting these and other similar organizations you have enabled them to have a great impact on the advancement of the shooting sports, firearm safety training and education in responsible firearm ownership in our state and community.

The remaining fifty percent of the funds raised has been distributed at the state and national level to programs such as NRA National School Shield, NRA Online Hunter Education, NRA Eddie Eagle, NRA National Youth Education Summit and the NRA Civil Rights Defense Fund. Each of these programs are equally as effective and worthy for our common interest. More information on what our efforts stand for can be found at www.nrafoundation.org. In addition, you can find information regarding our specific banquet at La Pizzeria in Canton on April 18th. Tickets can be purchased for our event through the NRA Foundation website or by sending payment with a copy of our ticket ordering flyer.

The Tuscarawas Valley Friends of NRA committee is pleased to bring you another great event in 2020 with new merchandise, guns, and gear for our supporters to enjoy! Along with an exciting, action packed evening you'll be treated to a delicious meal with superb service from the staff at La Pizzeria. Don't miss out on a great evening with others who value our heritage and future of responsible firearm ownership!

Respectfully,

Harry Clayton, 2020 Chairman
