The Python is back!

Building on Colt's Snake Gun legacy, the legendary double-action revolver returns in stainless steel in a 6" barrel length. Thirty percent more steel beneath the rear adjustable target sight gives you a stronger revolver and more robust shooting experience. A recessed target crown, user-interchangeable front sight, walnut grips with the iconic Colt medallion, and custom NRA embellishments make this a gun you'll want to shoot AND show off. The Python is chambered in .357 Magnum and also accommodates .38 Special cartridges.
