

**\$2800 Table \***

**Custom ER Shaw Mark VII Gen II**

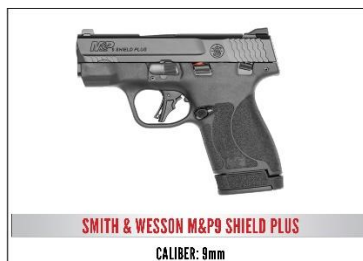

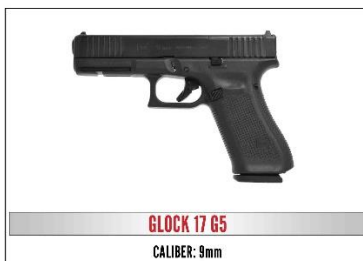

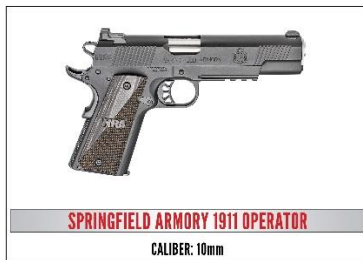

*Close your eyes and picture the rifle you always wanted but don't have...  
This is your opportunity to design that very rifle! Your rifle, your specs!*

**You choose:** Caliber (over 175)? Left or Right Hand? Stainless or blued? Finish on barrel? Length of barrel? Fluting- Helical, Straight or none? Type of stock? Do you want a muzzle break? Sporter or Varmint?

These guns feature Glass and pillar bedding, free floating barrels, Savage AccuTrigger, 3 position safety, dedicated long and short actions, Precision button-rifled barrels, 11 degree target crown, Polished feed ramps, 250" Heavy duty recoil lugs, Drilled/tapped for Savage Round receiver scope bases.

An order form will be supplied for you. Design your rifle in a "mock up" at <https://www.shawcustombarrels.com/rifles/the-mk.-vii-rifle/4> then complete the handwritten form and return to FNRA committee member for your respective banquet. **DO NOT TRY TO ORDER ONLINE PLEASE. Only handwritten forms are valid. Upgrades are available but are and additional cost.**

**\$1800 Table \***

**\*Either tables include reserved table with meals and choice of one firearm**

*While supplies last-due to current conditions substitutions might have to be made*
