SPRINGFIELD HELLION 5.56 BULL PUP

TICKETS ARE \$100 EACH ONLY 50 TO BE SOLD

The new Hellion™ from Springfield Armory represents a radically unique and innovative approach to firearms design, helping to redefine perceptions of semi-automatic 5.56mm performance.

Featuring a “bullpup” configuration where the action is located behind the trigger, the Hellion features an overall length of just 28.25-inches while still possessing a 16” barrel. The Hellion sports ambidextrous controls that work in concert with a reversible case ejection system. The result is a 5.56 that combines portability with potent performance.

Drawing held after 50 tickets are sold.

Do not need to be present to win.
