THE FUTURE OF FREEDOM

# America's Leading Charitable Organization in Support of the Shooting Sports

For more than two decades, The NRA Foundation has served the needs of freedom-loving Americans across this great nation. We continue to teach freedom through programs that instill knowledge about our nation’s great history. We build partnerships with leaders in our communities and provide grants that are instrumental in funding programs that support our shared vision.

Since our establishment in 1990, we’ve awarded more than \$426 million in grant funding in support of the shooting sports. These grants provide essential funding that benefits programs such as youth education, local trap teams, 4H, The Scouts of America, law enforcement training, hunter education, conservation, firearms and marksmanship training and safety, and much more.
