

EXCLUSIVE FIREARM

2023 Colt Anaconda 6" Engraved

Colt's popular Snake Gun revolver series gains a new addition with the updated Anaconda. The 2021 Anaconda has been fully re-designed to utilize an oversized Python action. Bulked-up with a solid stainless steel frame for strength and durability, this Double Action revolver is worthy of its pedigree. Experience the Linear Leaf Spring Action for a non-stacking, smooth-as-glass trigger pull. With recoil-absorbing Hogue grips and adjustable, interchangeable sights, this .44 Magnum is cool and comfortable from the range to the woods. A recessed target crown offers protection and the frame is drilled and tapped for optics mounts, making the Anaconda an unstoppable huntsman's sidearm. *Not legal in all 50 states
