Friends of NRA is an impactful grassroots fundraising program fostering community involvement to raise money for the shooting sports & future of the Second Amendment!

Friends of NRA

Our Mission

Friends of NRA is a grassroots fundraising program conducted under the NRA Foundation, a 501(c)(3) non-profit that raises tax-deductible contributions to support a wide range of firearm-related public interest activities of the NRA and other organizations that defend and foster the Second Amendment rights of all law-abiding citizens.

Supported Programs

100% of net profits are awarded to fund programs supporting firearms safety and education, hunting education, enhanced marksmanship, competitive shooting, range development, and disabled shooter services. Half of the money raised by *Friends of NRA* committees stays in the state in which it was raised while the other half funds programs on a national scale. National programs include Eddie Eagle GunSafe, Hunters Education, Refuse to Be a Victim, Women on Target, and the like.

Local Grant Recipients in the Central Virginia Area

Each committee has a direct vote in deciding which programs are awarded funding. In 2025, the *Friends of NRA* chapters in Virginia awarded over \$350,000 to qualified state recipients. Recent grant recipients in our area include:

- **4-H Shooting Clubs: Appomattox County, Bedford County, Botetourt County, Holiday Lake, VA 4-H Shooting Education Council, and the W.E. Skeleton 4-H Center at SML**
- **Bedford County Schools Army JROTC Air Rifle**
- **Gretna H.S. JROTC Rifle Team**
- **Liberty University Shotgun Team**
