Auto Ordnance 1911 250th 45 ACP

Auto-Ordnance continues its celebration of America's 250th anniversary with a stunning new edition of its classic Stainless 1911.

This commemorative firearm is finished in a sophisticated matte gray, accented by striking copper-colored in-fill that highlights the patriotic inscriptions, and black controls. The left side of the slide is emblazoned with "250th ANNIVERSARY" and the year "2026," while the right side proudly bears "UNITED STATES OF AMERICA" and the founding year of "1776."

Complementing this unique color palette are custom-engraved wood grips, featuring the iconic Liberty Bell on the left and a regal bald eagle on the right, both set against a field of stars. Chambered in the legendary .45 ACP, this pistol merges historical reverence with modern craftsmanship, making it a standout addition for any collector of Americana.

Sights are TruGlo® Combat Day Sights, and one seven round magazine is included.
